

Early Head Start/ Head Start Outcomes-2nd Assessment (winter 2014-15)

Look at these percentages when you are planning for your Group Socializations and when you are doing broad planning for a specific age group. These are the percentages that are falling below the widely held expectations program wide for Early Head Start:

	Birth to One		1-2 years olds		2-3 year olds.	
	Fall '14	Winter '15	Fall '14	Winter'15	Fall '14	Winter '15
Social/Emot.	---- (0/18)	8.3%(1/12)	----(0/19)	----(0/22)	36.4%(4/11)	10%(2/20)
Physical	10%(2/20)	7.7%(1/13)	8.3%(2/24)	4.2%(1/24)	----(0/17)	----(0/26)
Language	15%(3/20)	----(0/13)	16.7%(4/24)	12.5%(3/24)	41.2%(7/17)	26.9%(7/26)
Cognitive	10%(2/20)	7.7%(1/13)	4.2%(1/24)	----(0/24)	23.5%(4/17)	3.8%(1/26)
Literacy	----(0/20)	----(0/13)	17.7%(4/24)	12.5%(3/24)	70.6%(12/17)	61.5%(16/26)
Mathematics	----(0/20)	----(0/13)	33.3%(8/24)	22.7%(5/22)	47.1%(8/17)	43.5%(10/23)

Birth to One: Focus on Social/Emotional development for this age group. Physical, Language and Cognitive improved.

1-2 year olds: All areas improved. Keep doing what you are doing.

2-3 year olds: Again all areas improved. Awesome!!!

When conducting your Staff/Parent Conferences, look at the data on Teaching Strategies Gold to review with your parents and guardians for individual children's data and discuss what areas you will be focusing on. Print out a copy of the individual child's information to share with each parent.

The percentage falling below the widely held expectations for Head Start, program wide are:

	3 year olds		4 year olds	
	Fall '14	Winter '15	Fall '14	Winter '15
Literacy	#1 66% below	#1 36.5% below (23)	34.9% below	22.7%(10)
Math	#2 44.8% below	#2 32.8% below (21)	#1 60.4% below	27.3%(12)
Soc./Emot.	#3 35.8% below	25% below(16)	39% below	#2 30.2%(13)
Language	29.9% below	#3 28% below(18)	#2 48.8% below	#1 34.1%(15)
Cognitive	23.9% below	17.2% below(11)	#3 41.9% below	#3 29.5%(13)
Physical	22.4% below	23% below(15)	32.6% below	18.2%(8)

Therefore the 3 areas to concentrate on for 3 year olds for the remainder of the program year would be **Literacy, Mathematics, and Language**. For the 4 year olds, it would be **Language, Social/Emotional and Cognitive**.
